

Many have similar topics on watering, colors, pruning, propagating, fertilizing, and other items. Sometimes the content of those topics varies. Suggest try two or three site to get answers to questions.

Be cognizant of the zone that people are in.

<http://www.hydrangeashydrangeas.com/>

Great help site. Nothing commercial.

<http://www.almanac.com/plant/hydrangea>

Even the old Farmer's Almanac has a web page about hydrangeas.

<https://en.wikipedia.org/wiki/Hydrangea>

Wikipedia checks in with an amazing number of species I have never heard of, many from mainland China. Remember the credibility of Wikipedia is sometimes questionable.

One I found interesting

†[*Hydrangea alaskana*](#) a fossil species recovered from [paleogene](#) strata in Jaw Mountain Alaska.^[7]

<http://www.aces.edu/pubs/docs/A/ANR-1276/ANR-1276.pdf>

Excellent 8 pages of information from the Alabama Extension Service. A great source of information for beginners and seasoned hydrangea advotees.

<http://www.hgtvgardens.com/hydrangeas/>

HGTV has its hydrangea page. Lots of ads floating around the pages, but includes a large gallery of pictures.

Link to a good video: How to Choose and Plant Hydrangeas

<http://www.bhg.com/gardening/plant-dictionary/shrub/hydrangea/>

They have various pictures of complete garden designs on the web site "Our free Planting Guide for this garden includes a larger version of the illustration, a detailed layout diagram, a list of plants for the garden as shown, and complete instructions for installing the garden. (Free, one-time registration allows unlimited access to Planting Guides for all garden plans.)"

<http://www.hydrangea.com>

Wilkerson Mill Gardens, Less than three hours away. Great place to visit.

<http://hydrangeasplus.com/>

Very popular on line store. They only will ship when it is not too hot or cold. Located in Oregon.
